

Dear Patient,

I am writing to inform you that **September 5** will be my last day at Kelsey-Seybold Clinic. It has been an honor and privilege to be your family's physician.

Continuing your medical care is important. I encourage you to establish care with one of my trusted Kelsey-Seybold colleagues without delay. Once you select and schedule an appointment with a new Kelsey-Seybold doctor, they will have access to your medical history, including prescription medications, labs and test results, and health history information.

I have included a list of physicians who are welcoming new patients at our Huntsville Clinic. You can view any of their online profiles at kelsey-seybold.com/bios, where you can search for physicians by name, clinic locations, medical specialty, and languages spoken.

If you would like help in selecting your new Kelsey-Seybold physician, call our **Patient Help Line** at **713-442-1233** weekdays from 8 a.m. to 5 p.m.

If you need prescription refills before your next appointment, ask your pharmacist to call the number on your prescription label, or visit your MyKelseyOnline account or kelsey-seybold.com/prescriptionrefills to request a refill.

Best wishes for continued health for your family.

Sincerely,

Glenda Read, MD
