

Schedule an appointment at
North Houston Campus!

Dear Patient,

I am writing to inform you that **September 27** will be my last day caring for patients at Kelsey-Seybold Clinic. It has been an honor and privilege to be your physician, and I have enjoyed the relationship we have built.

Continuing your medical care is important. I encourage you to select a new physician without delay. Once you select and schedule an appointment with your new Kelsey-Seybold doctor, they will have access to your medical history, including prescription medications, labs and test results, and your health history information.

I have included a list of physicians who are welcoming new patients at our North Houston Campus, and two more primary care physicians will be joining this location in the coming months. You can view any of their online profiles at kelsey-seybold.com/bios, where you can search for physicians by name, clinic locations, medical specialty, and languages spoken.

If you would like help in selecting your new Kelsey-Seybold physician, call our **Patient Help Line** at **713-442-1233**. If you are a KelseyCare Advantage member, call **KCA Member Services** at **713-442-2273** weekdays from 8 a.m. to 5 p.m. for assistance in selecting your new physician.

If you need prescription refills before your next appointment, ask your pharmacist to call the number on your prescription label, or visit your MyKelseyOnline account or kelsey-seybold.com/prescriptionrefills to request a refill.

Best wishes for your continued health.

Sincerely,

Amber Sleem, DO
