Memorial Villages Campus!**

Dear Patient, Parent, or Guardian,

I am writing to inform you that **April 30** will be my last day caring for patients at Kelsey-Seybold Clinic. This decision comes as I will be relocating with my family out of the Houston area, as my husband has accepted an incredible career opportunity that will take us to a new location. It has been an honor and privilege to be your physician, and I have enjoyed the relationship we have built over the years.

Continuing your child's medical care is important. I encourage you to select a new physician without delay. Once you select and schedule an appointment with your new Kelsey-Seybold doctor, they will have access to your child's medical history — including prescription medications, labs and test results, and your health history information — to ensure a seamless care transition.

I have included a list of physicians who are welcoming new pediatric patients at our Memorial Villages Campus. You can view any of their online profiles at **kelsey-seybold.com/bios**, where you can search for additional physicians by name, clinic locations, medical specialty, and languages spoken.

If you would like help in selecting your new Kelsey-Seybold physician, call our **Patient Help Line** at **713-442-1233** on weekdays from 8 a.m. to 5 p.m.

If you need prescription refills before your next appointment, ask your pharmacist to call the number on your prescription label, or visit your MyKelseyOnline account or **kelsey-seybold.com/prescriptionrefills** to request a refill.

Best wishes for your continued health.

Sincerely,

Diana Amaya-Hellman, MD, FAAP
