

Dear Patient,

It is with a heavy heart that I tell you that I will be leaving Kelsey-Seybold Clinic after 18 years of serving patients here. My last day with the organization will be May 30. This was not an easy decision to make, especially as I reflect upon the connection and trust that we've built over the years. All my patients are special to me, and I am grateful for the privilege of delivering and celebrating your babies and helping you through your healthcare journeys.

Although I will no longer be your physician, I leave your care in the capable hands of my colleagues who are committed to providing compassionate and competent care at the level that you've expected from this organization.

I have included a list of OB/GYNs who are welcoming new patients at our Pearland Clinic. You can view any of their online profiles at **kelsey-seybold.com/bios**, where you can search for additional physicians by name, clinic locations, medical specialty, and languages spoken.

If you would like help in selecting your new Kelsey-Seybold physician, call our **Patient Help Line** at **713-442-1233** on weekdays from 8 a.m. to 5 p.m. If you are a KelseyCare Advantage member, call **KCA Member Services** for assistance in selecting your new physician at **713-442-2273**, also on weekdays from 8 a.m. to 5 p.m.

If you need prescription refills before your next appointment, ask your pharmacist to call the number on your prescription label, or visit your MyKelseyOnline account or **kelsey-seybold.com/prescriptionrefills** to request a refill.

Thank you again for the part you played in enriching my life. My career has been fun because of how wonderful you have been. Please don't hesitate to reach out with any questions or concerns about the transition. I will be here until May 30th to help ensure everything goes smoothly.

With heartfelt appreciation,

Chanelle Clark, MD, FACOG
