

Dear Patient,

I am writing to inform you that **June 6** will be my last day caring for patients at Kelsey-Seybold Clinic, as I have decided to pursue a Rheumatology fellowship to further my training and expand the ways I can serve patients in the future. It has been an honor and privilege to be your physician, and I have enjoyed the relationship we have built.

Continuing your medical care is important. I encourage you to select a new physician without delay. Once you select and schedule an appointment with your new Kelsey-Seybold doctor, they will have access to your medical history — including prescription medications, labs and test results, and your health history information — to ensure a seamless care transition.

I have included a list of physicians who are welcoming new patients at our Northwest Campus (formerly Cypress Clinic). You can view any of their online profiles at kelsey-seybold.com/bios, where you can search for additional physicians by name, clinic locations, medical specialty, and languages spoken.

If you would like help in selecting your new Kelsey-Seybold physician, call our **Patient Help Line** at **713-442-1233** on weekdays from 8 a.m. to 5 p.m. If you are a KelseyCare Advantage member, call **KCA Member Services** for assistance in selecting your new physician at **713-442-2273**, also on weekdays from 8 a.m. to 5 p.m.

If you need prescription refills before your next appointment, ask your pharmacist to call the number on your prescription label, or visit your MyKelseyOnline account or kelsey-seybold.com/prescriptionrefills to request a refill.

Best wishes for your continued health.

Sincerely,

Elizabeth Onyechi, MD
