

Dear Patient,

I am writing to inform you that on **June 6** I will transition to per diem status at Kelsey-Seybold Clinic. While I will no longer maintain a standard schedule, I will primarily be seeing patients at the Pearland Clinic and am happy to continue your care there. It has been an honor and privilege to be your physician.

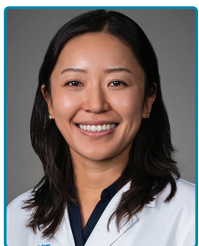

Continuing your medical care is important. I encourage you to select a new physician without delay. Once you select and schedule an appointment with your new Kelsey-Seybold doctor, they will have access to your medical history — including prescription medications, labs and test results, and your health history information — to ensure a seamless care transition.

I have included a list of physicians who are welcoming new patients at our Pearland Clinic. You can view any of their online profiles at **kelsey-seybold.com/bios**, where you can search for additional physicians by name, clinic locations, medical specialty, and languages spoken.

If you would like help in selecting your new Kelsey-Seybold physician, call our **Patient Help Line** at **713-442-1233** on weekdays from 8 a.m. to 5 p.m. If you are a KelseyCare Advantage member, call **KCA Member Services** for assistance in selecting your new physician at **713-442-2273**, also on weekdays from 8 a.m. to 5 p.m.

If you need prescription refills before your next appointment, ask your pharmacist to call the number on your prescription label, or visit your MyKelseyOnline account or **kelsey-seybold.com/prescriptionrefills** to request a refill.

Best wishes for your continued health.

Sincerely,

Laura Wu, MD
