KelseyCare Advantage

2025 Pharmacy Directory/Directorio de Farmacias

Introduction:

This booklet provides a list of *KelseyCare Advantage's* network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and KelseyCare Advantage's formulary.

When this pharmacy directory refers to “we,” “us”, or “our,” it means KS Plan Administrators, LLC. When it refers to “plan” or “our plan,” it means *KelseyCare Advantage*.

We call the pharmacies on this list our “network pharmacies” because we have made arrangements with them to provide prescription drugs to plan enrollees. In most cases, your prescriptions are covered under *KelseyCare Advantage* only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of 09/01/2024. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can go to all the pharmacies on this list, but your costs for some drugs may be less at pharmacies in this list that offer preferred cost sharing. We have marked these pharmacies with (*) to distinguish them from other pharmacies in our network that offer standard cost sharing.

You can get prescription drugs shipped to your home through our network mail order delivery program which is called *Optum Home Delivery Pharmacy*. For more information, please contact us or see the mail order section of this pharmacy directory.

This directory is for the KelseyCare Advantage service areas in Texas, including the area in which you live. However, there are more pharmacies where your prescriptions may be covered by our Plan. For information on more pharmacies in our plan network not listed in this directory contact Member Service at 713-442-2273 (TTY/TDD users should call 711) or visit KelseyCareAdvantage.com.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact *KelseyCare Advantage*.

KelseyCare Advantage's Network Pharmacies

To help you choose a pharmacy that will meet your needs, the directory first lists Chain Pharmacies and Retail Pharmacies in our pharmacy network. All other types, such as Home Infusion and Long-Term Care Facility Pharmacies, can also be located in separate sections. Each section then lists the pharmacies in alphabetical order, by county, city and name. An asterisk (*) next to the pharmacy indicates a pharmacy that offers preferred cost-sharing and your costs for some drugs may be less than other network pharmacies. A square (■) next to the pharmacy indicates which pharmacy will provide you with a 90-day supply.

Introducción

Este folleto proporciona una lista de farmacias de la red de KelseyCare Advantage. Para obtener una descripción completa de su cobertura de medicamentos recetados, incluyendo cómo llenar sus recetas, revise la Evidencia de cobertura y formulario de KelseyCare Advantage.

Cuando este directorio de farmacias se refiere a “nosotros”, “nos” o “nuestro”, se refiere KS Plan de Administradores LLC. Cuando se hace referencia a “plan” o “nuestro plan”, se refiere KelseyCare Advantage.

Llamamos a las farmacias en esta lista nuestras “farmacias de la red” porque hemos hecho arreglos con ellos para proporcionar medicamentos recetados a los miembros del Plan. En la mayoría de los casos, sus recetas están cubiertas por KelseyCare Advantage solo si se surten en una farmacia de la red [o a través de nuestro servicio de farmacia de pedidos por correo. Una vez que va a una farmacia, que no están obligados a seguir yendo a la misma farmacia para surtir su receta, pero se puede cambiar a cualquier otra de las farmacias de la red. Vamos a surtir las recetas en farmacias fuera de la red, en determinadas circunstancias, como se describe en su Evidencia de Cobertura.

Todas las farmacias de la red pueden no aparecer en este directorio. Farmacias pueden haber sido añadido o eliminado de la lista después de imprimir este directorio. Esto significa que las farmacias enumerados aquí ya no pueden estar en nuestra red, o puede haber nuevas farmacias de nuestra red que no figuran. Esta lista está actualizada a 09/01/2024. Para obtener la lista más actualizada, por favor póngase en contacto con nosotros. Nuestra información de contacto aparece en la primera y última páginas de portada de este directorio.

Usted puede ir a todas las farmacias en esta lista, pero sus costos de algunos medicamentos pueden ser menor en las farmacias en esta lista que ofrecen la distribución de costos preferido. Hemos marcado estas farmacias con un asterisco (*) para distinguir las de otras farmacias de la red que ofrecen la distribución de costos estándar.

Puede pedir que le envíen los medicamentos con receta a su hogar a través del programa de entrega de pedido por correo de nuestra red que se denomina “Optum Home Delivery Pharmacy”. Para obtener más información, comuníquese con nosotros o consulte la sección de pedido por correo de este Directorio de farmacias.

Este directorio es para las áreas de servicio de KelseyCare Advantage en Texas, incluida el área en la que vive. Sin embargo, hay más farmacias donde sus medicamentos recetados pueden estar cubiertos por nuestro Plan. Para obtener información sobre más farmacias en nuestra red de planes que no figuran en este directorio, comuníquese con Servicio al Miembro al 713-442-2273 (los usuarios de TTY/TDD deben llamar al 711) o visitar [KelseyCareAdvantage.com](https://www.KelseyCareAdvantage.com).

Si tiene preguntas acerca de cualquiera de los anteriores, por favor ver la primera y última páginas de portada de este directorio para obtener información sobre cómo ponerse en contacto con nosotros,

Farmacias de la Red KelseyCare Advantage

Para ayudarle a escoger una farmacia que se ajuste a sus necesidades, el directorio presenta en primer lugar a las farmacias minoristas de cadena y farmacias minoristas que pertenecen a nuestra red de farmacias. Todos los demás tipos, tales como farmacias de infusión en el hogar y farmacias de cuidado a largo plazo, también pueden estar ubicadas en secciones separadas. Luego, en cada sección aparecen las farmacias en orden alfabético, por condado, ciudad y nombre. Las farmacias que aparecen marcadas con un asterisco (*) son las que ofrecen costo compartido preferido y sus costos para algunos medicamentos pueden ser menores que en otras farmacias de la red. Las farmacias marcadas con un cuadrado (■) son las que ofrecen un suministro para 90 días.

Mail Order Pharmacy / Farmacia de pedidos por correo

Optum Home Delivery Pharmacy

1-800-707-8194 (TTY: 711)

OptumRx.com

You can get prescription drugs shipped to your home through our network mail order delivery program which is called *Optum Home Delivery Pharmacy*.

If you have used mail order services with your current plan before, or if you opt in now, our pharmacy will automatically fill and ship new prescriptions received directly from your doctors or other prescribers. You may opt out of automatic deliveries of new prescriptions at any time by contacting us. If you never had mail order delivery and/or decide to stop automatic fills of new prescriptions, we will contact you each time we get a new prescription from a provider, to see if you want the medication filled and shipped at that time. This will give you an opportunity to make sure that the correct drug (including strength, amount, and form) will be delivered, and, if necessary, allow you to cancel or delay the order before you are billed and it is shipped.

For refills of your mail order prescriptions, you have the option to sign up for an automatic refill program. Under this program, we will start to process your next refill automatically when our records show that you should be close to running out of your drug. We will contact you prior to shipping each refill to make sure you are in need of more medication. You can cancel scheduled refills if you have enough of your medication or if your medication has changed. If you choose not to use the auto refill program, please contact us 14 days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time. To opt out of the automatic refill program, please contact us by calling the Toll-Free number on the back of your Member ID card (1-800-707-8194). You may also select which of your medications you would like enrolled in the program by logging into your account at www.OptumRx.com.

Typically, you should expect to receive your prescription drugs within 14 days from the time that the mail order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please contact us at 1-800-707-8194 and TTY number/TRS Relay number 711.

OptumRx.com

Puede pedir que le envíen los medicamentos con receta a su hogar a través del programa de entrega de pedido por correo de nuestra red que se denomina “Optum Home Delivery Pharmacy.”

Si con anterioridad ha usado los servicios de pedido por correo con su plan actual, o si desea usarlos ahora, nuestra farmacia surtirá automáticamente las recetas nuevas que reciba directamente de sus médicos u otras personas autorizadas a dar recetas y enviará los medicamentos con receta. Puede desinscribirse de los envíos automáticos de nuevas recetas en cualquier momento, comunicándose con nosotros. Si usted nunca utilizó nuestro servicio de entrega de pedido por correo o si decide interrumpir el surtido automático de nuevas recetas, nos contactaremos con usted cada vez que recibamos una nueva receta de un proveedor para verificar si desea que le surtan y envíen el medicamento en ese momento. Esto le dará la oportunidad de asegurarse de que se le suministre el medicamento correcto (concentración, cantidad y presentación) y, si fuera necesario, le permitirá cancelar o retrasar el pedido antes de que se le facture y se le envíe. Para resurtir sus medicamentos con receta de pedido por correo, usted tiene la opción de inscribirse en un programa de resurtido automático. En este programa, comenzaremos a procesar su siguiente resurtido automáticamente cuando nuestros registros muestren que se está por quedar sin el medicamento. Nos comunicaremos con usted antes de enviarle cada resurtido para asegurarnos de que efectivamente necesite más medicamentos. Puede cancelar los resurtidos si tiene una cantidad suficiente de su medicamento o si su medicamento ha cambiado. Si opta por no usar el programa de

Mail Order Pharmacy / Farmacia de pedidos por correo

resurtido automático, comuníquese con nosotros 14 días antes de que crea que los medicamentos que tiene se acabarán para asegurarse de que su próximo pedido se le envíe a tiempo. Para cancelar la participación en el programa de resurtido automático, comuníquese con nosotros llamando al número gratuito de Atención al Cliente que aparece al reverso de su tarjeta de identificación de miembro (1-800-707-8194). También puede seleccionar cuáles de sus medicamentos desea inscribir en el programa iniciando sesión en su cuenta en www.OptumRx.com.

Por lo general, debe recibir sus medicamentos con receta dentro de 10 días después de que la farmacia de pedido por correo reciba el pedido. Si no recibe sus medicamentos con receta dentro de ese plazo, comuníquese con nosotros al 1-800-707-8194/TTY 711.

Long-Term Care Facility Pharmacies / Farmacias de centros de atención a largo plazo

Residents of a long-term care facility may access their prescription drugs covered under KelseyCare Advantage through the facility's long-term care pharmacy or another network long-term care pharmacy.

Los residentes de un centro de atención a largo plazo pueden acceder a sus medicamentos recetados cubiertos por KelseyCare Advantage a través de la farmacia de atención a largo plazo del centro u otra farmacia de atención a largo plazo de la red.
