VISION PROVIDER DIRECTORY

Vision Provider Directory

Your Vision Plan gives you access to KelseyCare Advantage / Spectera Vision Network. If you have any questions or if you need help with language translation, please contact Customer Service at 1-877-574-7081 (TTY 711).

This directory includes a list of our participating vision care providers. The information about each provider includes:

- Provider name, address and phone number
- Foreign languages spoken, if any
- Accessibility for people with disabilities

Not all network providers are accepting new patients at the locations listed. If you need additional assistance locating a provider accepting new patients please contact customer service at 1-877-574-7081 (TTY 711)

KelseyCare Advantage / Spectera Vision Network cannot guarantee the continued participation of vision care providers currently listed in this directory. Network availability may vary from state to state and a specific vision care provider's contract status may be updated when we receive new information. In addition, only the office locations listed are in your network. Visiting a vision care provider at any other location may result in reduced benefits, therefore, before you receive care, we recommend that you verify with the vision care provider that they are still contracted with the network and provide all benefits and discounts at the location you are planning to visit. When a provider leaves the network, your out of network benefit will apply. As soon as a provider's status changes, your cost share will increase.

The information included in this directory is updated monthly. Please call our Provider Locator Service at 1-877-547-7081 (TTY: 711) or visit <https://www.kelseycareadvantage.com> for up-to-date provider information or to report inaccurate information.

Meeting Our Quality Standards

You can have confidence in knowing that you are receiving care from vision care providers who have been carefully selected for participation in our network. All vision care providers undergo a rigorous review process prior to being accepted into our network, which includes:

- Education, training and experience in Ophthalmology or Optometry
- Licensure, certification and other requirements
- Malpractice history

This process assures that each vision care provider has the required credentials to participate in the network.
