

LIST OF PRIOR AUTHORIZATION CODES

Effective Q1 2026

Prior Authorization is the determination that selected inpatient and outpatient medical services, including surgeries, major diagnostic procedures and referrals meet criteria for medical necessity under the member's benefits contract. For the member to receive maximum benefits, Kelsey-Seybold must authorize the covered services prior to being rendered by the provider if it is included on the Prior Authorization Code list.

A benefit will be paid if it meets the following criteria: a member is eligible for the benefit, the service is eligible for the benefit, and the service is a covered benefit under the contract at the time the services are rendered.

The rendering provider is responsible for reviewing the members' benefit prior to rendering any service. If the member is not eligible for the benefit, the service is not eligible for the benefit or the service is not a covered benefit under the contract the claim may be denied even if a prior authorization is obtained.

All office visits and consults to Affiliate Providers must be submitted for review.

Claims denied for no benefit or for no authorization on file will not be the responsibility of the member but rather the financial responsibility of the rendering provider.

If a member visits an out of network provider, precertification must be obtained and is the responsibility of the out of network provider.

Codes and services not on the Prior Authorization List may still require a medical review prior to having claims paid.

Behavioral Health requests can be submitted to Optum Behavioral Health at 1-800-817-4808.

Emergent Care does not require a Prior Authorization.

All Inpatient and subacute stays, including SNF, IRF and LTAC must be prior authorized. PA form is available at Affiliate Provider | Kelsey-Seybold Clinic.

The submission of all D codes is required, PA list is not all-inclusive for D -codes.

All drugs requiring Step Therapy must be prior authorized. Please see link to Step Therapy Drugs, Prior Authorization List is not all-inclusive for these drugs and the Step Therapy Drug list must be consulted for codes requiring step criteria be applied.

All transplants must be prior authorized, PA list is not all-inclusive for transplant codes.
