

Dear Patient, Parent, or Guardian,

I'm writing to let you know that my last day seeing patients at **Kelsey-Seybold Clinic** will be **May 15, 2026** — as I will be retiring from medical practice after nearly 40 years of caring for children in our community, with 11 of those years at Kelsey-Seybold. It has truly been an honor and a privilege to care for your child, and I'm grateful for the trust you've placed in me over the years.

To ensure your child's care continues without interruption, I encourage you to select a new pediatrician at **Kelsey-Seybold Clinic**. Choosing a Kelsey-Seybold provider means your child's complete medical history — including immunization records, prescriptions, test results, and visit notes — will remain accessible to your new physician for a smooth and seamless transition.

For your convenience, I've included a list of Family Medicine physicians who are currently welcoming new pediatric patients at **Conroe Clinic**. You may also view additional physician profiles online at kelsey-seybold.com/bios, where you can search by name, location, specialty, or language.

If you'd like help selecting your child's next Kelsey-Seybold pediatrician, please contact our **Patient Help Line** at **713-442-1233**, available Monday through Friday, 8 a.m. to 5 p.m.

Following my retirement, your child's medical records will remain at **Kelsey-Seybold Clinic**, where you may request copies or arrange transfers at any time.

If your child needs a prescription refill before their next visit, you can contact your pharmacy, submit a request through your [MyKelseyOnline](https://mykelseyonline.com) account, or visit kelsey-seybold.com/prescriptionrefills.

Caring for your child has been one of the great joys of my career. Thank you again for allowing me to be part of your family's well-being. I wish your family continued health and happiness in the years ahead.

Sincerely,

Laurie McKillip, MD
