

Dear Patient,

I'm writing to share that I will be relocating my practice to new Kelsey-Seybold Clinic locations, where I welcome the opportunity to continue to offer care to you. My last day seeing patients at Memorial City Clinic and Greater Heights Clinic will be **June 25, 2026**. Then, on **July 13, 2026**, I will begin caring for patients at **Kelsey-Seybold Clinic – The Woodlands OB/GYN and Women's Health** and **Kelsey-Seybold Clinic – West Woodlands**.

My New Clinic Locations:

Kelsey-Seybold Clinic – The Woodlands OB/GYN and Women's Health
17198 St. Luke's Way, Suite 540
The Woodlands, TX 77384

Kelsey-Seybold Clinic – West Woodlands
33003 Egypt Lane
The Woodlands, TX 77354

Effective Date: July 13, 2026

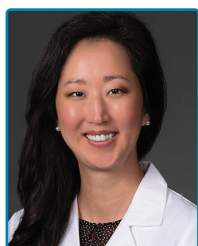

As part of this change, I will now be affiliated with St. Luke's Health – The Woodlands Hospital and Houston Methodist The Woodlands Hospital.

If you would like to continue seeing me for your care, simply schedule your next appointment at my new location by logging in to your [MyKelseyOnline](#) account, visiting [kelsey-seybold.com](#), or calling our **24/7 Contact Center** at **713-442-0000**.

If you prefer to continue care at your current clinic location with another Kelsey-Seybold OB/GYN, please see the included list of colleagues who are welcoming new patients. You can also search for additional providers at [kelsey-seybold.com/bios](#).

Whether you choose to follow me to my new locations or continue with another Kelsey-Seybold provider, there's no need to transfer records, as your complete medical history — including prescriptions, test results, imaging, and visit notes — will remain within Kelsey-Seybold Clinic. This ensures seamless continuation of care.

I look forward to continuing to care for you at my new locations. Thank you for allowing me to be part of your healthcare journey.

Sincerely,
Jessica Kim, MD
