

KelseyCare Advantage

Welcome to KelseyCare Advantage! There's a lot to know as a new member, but you can take it step by step. This email is your first step in the **New Member Roadmap**, a guided series to help you get started, understand your benefits, and feel confident using your plan. Explore each section at your own pace.

Choose Your Primary Care Provider

Your Primary Care Provider (PCP) is your partner in health. They handle your check-ups and vaccines and help you manage your health goals. Your PCP can be a doctor or an Advanced Practice Clinician like a Nurse Practitioner or Physician Assistant.

With over 40 locations, it is easy to find a provider close to home. Once you choose a provider, be sure to schedule your \$0 Annual Wellness Visit. This visit is a great way to get to know your new team and stay on top of your health.

Anytime your provider is not available, you can always see any other Kelsey-Seybold provider to get the care you need.

- Send messages to your doctor.
