To search for a provider:

- Visit [KelseyCareAdvantage.com](https://www.kelseycares.com) → [Explore Plans](#) → [Find a Provider](#) → [Other Services](#)
- Under the service type, select Durable Medical Equipment
- Narrow your search by county, city, facility, or zip code

You may go to any of the providers listed in our online directory. Some services may need prior authorization or a referral.

# OUR NETWORK

KelseyCare Advantage partners with the premier Houston area-based Kelsey-Seybold Clinic network. As a member of KelseyCare Advantage, you will get all or most of your care from Kelsey-Seybold Clinic providers (except for out-of-area dialysis and emergencies).

## Referrals and Authorizations

As a member of KelseyCare Advantage, in most instances you can see any Kelsey-Seybold Clinic provider without a referral or prior authorization. If you have been receiving care from a Kelsey-Seybold Clinic provider, you are not required to continue going to that provider, even if that provider is your Primary Care Provider. You may simply schedule an appointment with any Kelsey-Seybold Clinic provider of your choice.

## Affiliate Network Contract Providers

When Kelsey-Seybold Clinic does not have the specialist you need at any of their locations, you can be referred to a specialist who has been selected by Kelsey-Seybold providers. Your Kelsey-Seybold provider will submit a request to KelseyCare Advantage for a referral to a non-Kelsey-Seybold provider. Both you and the specialist to whom you are referred will receive written confirmation if the service is approved. All services provided by Affiliate Contract Providers require a referral or prior authorization from KelseyCare Advantage.

## Partnering with Community Providers

As a member of KelseyCare Advantage, you have the option of seeing a KelseyCommunity Provider for primary care services. These are local providers who have contracted with KelseyCare Advantage to provide you with more access to care throughout the community. Your benefits with these providers remain the same, and you still have full access to the network of Kelsey-Seybold specialists. Choosing to see a KelseyCommunity Provider does not restrict you from receiving primary care services at a Kelsey-Seybold clinic at any time. They are an added convenience for your benefit.

## Other Services

Other service providers include, for example, home health, skilled nursing facilities, acute inpatient hospitals, and more. Please refer to our website for more information. You can find a listing of all providers at [www.KelseyCareAdvantage.com](http://www.KelseyCareAdvantage.com) → [Explore Plans](#) → [Find a Provider](#) or from the bottom navigation bar under *Find a Doctor* on [KelseyCareAdvantage.com](http://KelseyCareAdvantage.com).

# ANNUAL WELLNESS EXAM

As a new member, one of the most important things to do is schedule your first wellness exam. This exam is designed specifically for KelseyCare Advantage members by Kelsey-Seybold providers.

## How is this visit different from other doctor appointments?

Your annual wellness exam is scheduled as a 45-minute visit with your provider. During this time, your provider will:

- **Complete a Medication Reconciliation**
  - Review all medications being taken to ensure accuracy, determine medications and dosages are appropriate, and document any changes made
- **Update Health Maintenance Recommendations**
  - Vaccines - Given during the visit
  - Pap Smear/Prostate Exam - Given during the visit
  - Mammogram - Can be scheduled to coincide with annual wellness exam or done at a later time
  - Colonoscopy - Can be scheduled for a later time
- **Extensive Chronic Care Review** - Blood pressure, cholesterol, diabetes, heart disease, respiratory conditions, chronic kidney disease, depression, alcohol abuse, dementia, and end-of-life counseling
- **Complete Wellness Exam**
- **Testing (Lab/Radiology)** - Based on the results of the visit

This is a perfect time to bring up any new health questions or concerns. As a member of our KelseyCare Advantage plan, your annual wellness exams are a covered benefit at \$0 copay.
