KelseyCare Advantage

2027 Pharmacy Directory/Directorio de Farmacias

Introduction:

This booklet provides a list of *KelseyCare Advantage's* network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and KelseyCare Advantage's formulary.

When this pharmacy directory refers to "we," "us", or "our," it means KS Plan Administrators, LLC. When it refers to "plan" or "our plan," it means *KelseyCare Advantage*.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to plan enrollees. In most cases, your prescriptions are covered under *KelseyCare Advantage* only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of *10/08/2026*. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can go to all the pharmacies on this list, but your costs for some drugs may be less at pharmacies in this list that offer preferred cost sharing. We have marked these pharmacies with (*) to distinguish them from other pharmacies in our network that offer standard cost sharing.

You can get prescription drugs shipped to your home through our network mail order delivery program which is called *Optum Home Delivery Pharmacy*. For more information, please contact us or see the mail order section of this pharmacy directory.

This directory is for KelseyCare Advantage service areas in Texas including the area in which you live. However, we cover a larger service area, and there are more pharmacies where your prescriptions may be covered by our Plan. For information on more pharmacies in our plan network not listed in this directory, please call Member Service at 713-442-2273 (TTY users should call 711).

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact us.

KelseyCare Advantage's network Pharmacies

To help you choose a pharmacy that will meet your needs, the directory first lists Chain Pharmacies and Retail Pharmacies in our pharmacy network. All other types, such as Home Infusion and Long-Term Care Facility Pharmacies, can also be located in separate sections. Each section then lists the pharmacies in alphabetical order, by county, city and name. An asterisk (*) next to the pharmacy indicates a pharmacy that offers preferred cost-sharing and your costs for some drugs may be less than other network pharmacies. A square (■) next to the pharmacy indicates which pharmacy will provide you with a 90-day supply.

Introducción

Este folleto proporciona una lista de las farmacias de la red de KelseyCare Advantage. Para obtener una descripción completa de su cobertura de recetas, incluido cómo surtir sus recetas, revise la Evidencia de cobertura y el formulario de KelseyCare Advantage.

Cuando este directorio de farmacias menciona "nosotros", "nos" o "nuestro", se refiere a KS Plan Administrators, LLC. Cuando menciona "plan" o "nuestro plan", se refiere a KelseyCare Advantage.

Llamamos a las farmacias de esta lista nuestras "farmacias de la red" porque hemos llegado a acuerdos con ellas para proporcionar medicamentos recetados a los afiliados al plan. En la mayoría de los casos, sus recetas están cubiertas por KelseyCare Advantage solo si se obtienen en una farmacia de la red o a través de nuestro servicio de farmacia de pedidos por correo. Una vez que vaya a una farmacia, no estará obligado a seguir yendo a la misma farmacia para surtir su receta, sino que podrá cambiarse a cualquier otra de nuestras farmacias de la red. Surtiremos recetas en farmacias fuera de la red bajo ciertas circunstancias como se describe en su Evidencia de Cobertura.

Es posible que no todas las farmacias de la red estén incluidas en este directorio. Es posible que se hayan agregado o eliminado farmacias de la lista después de la impresión de este directorio. Esto significa que las farmacias enumeradas aquí pueden ya no estar en nuestra red, o puede haber farmacias más nuevas en nuestra red que no estén incluidas. Esta lista está actualizada al *10/08/2026*. Para obtener la lista más reciente, contáctenos. nuestra información de contacto aparece en la portada y contraportada.

Puede ir a todas las farmacias de esta lista, pero el costo de algunos medicamentos puede ser menor en las farmacias de esta lista que ofrecen costos compartidos preferenciales. Hemos marcado estas farmacias con (*) para distinguirlas de otras farmacias de nuestra red que ofrecen costos compartidos estándar.

Puede recibir medicamentos recetados enviados a su hogar a través de nuestro programa de entrega por correo en red, llamado *Optum Home Delivery Pharmacy*. Para obtener más información, comuníquese con nosotros o consulte la sección de pedidos por correo de este directorio de farmacias.

Este directorio es para las áreas de servicio de KelseyCare Advantage en Texas, incluido el área en la que vive. Sin embargo, cubrimos un área de servicio más grande y hay más farmacias donde sus recetas pueden estar cubiertas por nuestro Plan. Para obtener información sobre más farmacias en nuestra red de planes que no figuran en este directorio, llame al Servicio para Miembros al 713-442-2273 (los usuarios de TTY deben llamar al 711).

Si tiene preguntas sobre cualquiera de los puntos anteriores, consulte la primera y la última página de este directorio para obtener información sobre cómo comunicarse con nosotros.

Farmacias de la Red KelseyCare Advantage

Para ayudarlo a elegir una farmacia que satisfaga sus necesidades, el directorio primero enumera las cadenas de farmacias y las farmacias minoristas en nuestra red de farmacias. Todos los demás tipos, como las farmacias de infusión en el hogar y las farmacias de centros de atención a largo plazo, también se pueden ubicar en secciones separadas. Luego, cada sección enumera las farmacias en orden alfabético, por condado, ciudad y nombre. Un asterisco (*) al lado de la farmacia indica una farmacia que ofrece costos compartidos preferenciales y los costos de algunos medicamentos pueden ser menores que los de otras farmacias de la red. Un cuadrado (■) al lado de la farmacia indica qué farmacia le proporcionará un suministro para 90 días.

Mail Order Pharmacy / Farmacia de pedidos por correo

Optum Home Delivery Pharmacy

1-800-707-8194 (TTY: 711)

OptumRx.com

You can get prescription drugs shipped to your home through our network mail order delivery program which is called *Optum Home Delivery Pharmacy*.

If you have used mail order services with your current plan before, or if you opt in now, our pharmacy will automatically fill and ship new prescriptions received directly from your doctors or other prescribers. You may opt out of automatic deliveries of new prescriptions at any time by contacting us. If you never had mail order delivery and/or decide to stop automatic fills of new prescriptions, we will contact you each time we get a new prescription from a provider, to see if you want the medication filled and shipped at that time. This will give you an opportunity to make sure that the correct drug (including strength, amount, and form) will be delivered, and, if necessary, allow you to cancel or delay the order before you are billed and it is shipped.

For refills of your mail order prescriptions, you have the option to sign up for an automatic refill program. Under this program, we will start to process your next refill automatically when our records show that you should be close to running out of your drug. We will contact you prior to shipping each refill to make sure you are in need of more medication. You can cancel scheduled refills if you have enough of your medication or if your medication has changed. If you choose not to use the auto refill program, please contact us 14 before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time. To opt out of the automatic refill program, please contact us by calling the Toll-Free number on the back of your Member ID Card (1-800-707-8194). You may also select which of your medications you would like enrolled in the program by logging into your account at www.OptumRx.com.

Typically, you should expect to receive your prescription drugs within 14 days from the time that the mail order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please contact us at 1-800-707-8194 and TTY number/TRS Relay number 711.

OptumRx.com

Puede recibir medicamentos recetados enviados a su hogar a través de nuestro programa de entrega por correo de la red, llamado *Optum Home Delivery Pharmacy*.

Si ha utilizado los servicios de pedidos por correo con su plan actual antes, o si opta por participar ahora, nuestra farmacia surtirá y enviará automáticamente las nuevas recetas recibidas directamente de sus médicos u otros recetadores. Puede optar por no recibir entregas automáticas de nuevas recetas en cualquier momento comunicándose con nosotros. Si nunca tuvo entrega de pedidos por correo y/o decide detener el surtido automático de nuevas recetas, nos comunicaremos con usted cada vez que recibamos una nueva receta de un proveedor, para ver si desea que el medicamento se surta y se envíe en ese momento. Esto le dará la oportunidad de asegurarse de que se entregará el medicamento correcto (incluida la concentración, la cantidad y la forma) y, si es necesario, le permitirá cancelar o retrasar el pedido antes de que se le facture y se envíe.

Para recargar sus recetas compradas por correo, tiene la opción de inscribirse en un programa de recarga automática. Con este programa, comenzaremos a procesar su próxima recarga automáticamente cuando nuestros registros muestren que debería estar cerca de quedarse sin su medicamento. nos comunicaremos con usted antes de enviar cada recarga para asegurarnos de que necesita más medicamento. Puede cancelar las recargas programadas si ya tiene suficiente medicamento o si su medicamento ha cambiado. Si decide no utilizar el

programa de recarga automática, comuníquese con nosotros 14 antes de pensar que los medicamentos que tiene a mano se agotarán para asegurarse de que su próximo pedido se le envíe a tiempo.

Para cancelar su suscripción al programa de resurtido automático, comuníquese con nosotros llamando al número gratuito que aparece al dorso de su tarjeta de identificación de miembro (1-800-707-8194). También puede seleccionar los medicamentos que desea incluir en el programa iniciando sesión en su cuenta en www.OptumRx.com.

Por lo general, debe esperar recibir sus medicamentos recetados dentro de los 14 días a partir del momento en que la farmacia de pedidos por correo recibe el pedido. Si no recibe sus medicamentos recetados dentro de este tiempo, comuníquese con nosotros al 1-800-707-8194 y al número TTY/TRS Relay 711.
