

The New Most Affordable Plan Built for Harris County Employees

KelseyCare ACO Plan

Make the better choice!

The **KelseyCare ACO Plan** gives you the best of both worlds — the annual savings of the Plus PPO Plan with \$0 deductibles and the monthly savings of the Base PPO Plan with \$0 premiums (available for the “Employee” only plan option).

But what really sets the new KelseyCare ACO Plan apart is the care you receive from our network of 1,000+ Kelsey-Seybold physicians, providers, and specialists. And there’s no referral required to see a Kelsey-Seybold specialist.

Your entire care team at Kelsey-Seybold is connected to each other through your electronic health record so they can work together to better manage your care. Plus, primary and specialty care, labs, imaging, and more are all in one place, giving you an easier, more convenient healthcare experience.

The Care You Need When You Need It

Give Yourself a Raise!

With the KelseyCare ACO Plan, you can count on **\$0 monthly out-of-pocket premiums** (available for the “Employee” only plan option), **\$0 deductibles for out-of-pocket medical expenses, and flat, predictable copays** for in-network services.

Your Care Team Is Connected

At Kelsey-Seybold, your doctors are connected to each other and to you. By working together, your care team provides the personalized care you need, plus a more streamlined healthcare experience.
