Introduction / Introducción

This addendum provides updates about changes to KelseyCare Advantage's list of network pharmacies. Pharmacies may have been added or removed from our network after this addendum was created. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. For the most current list, please see the first cover page of this addendum for information on how to contact us.

To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and KelseyCare Advantage's formulary.
