

Dear Patient,

I am writing to inform you that **June 28** will be my last day caring for patients at Kelsey-Seybold Clinic. It has been an honor and privilege to be your physician for the last several years, and I have thoroughly enjoyed the relationship we have built together.

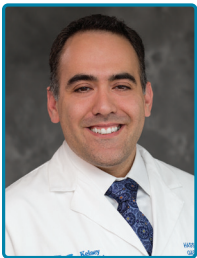

Continuing your medical care is important, and I want to ensure that this transition is as smooth as possible. Along those lines, I encourage you to schedule a new appointment for any ongoing Gastroenterology needs without delay. If you schedule an appointment with a new Kelsey-Seybold doctor, they will have access to your medical history — including prescription medications, labs and test results, and your health history information — to ensure a seamless care transition.

I have included information on additional gastroenterologists at Kelsey-Seybold who have offices in northern Houston and surrounding areas and are welcoming new patients. You can view their online profile at [kelsey-seybold.com/bios](http://kelsey-seybold.com/bios), where you can search for additional physicians by name, clinic locations, medical specialty, and languages spoken.

If you would like help in selecting a new Kelsey-Seybold physician, call our **Patient Help Line** at **713-442-1233** on weekdays from 8 a.m. to 5 p.m.

If you need prescription refills before your next appointment, ask your pharmacist to call the number on your prescription label, or visit your MyKelseyOnline account or [kelsey-seybold.com/prescriptionrefills](http://kelsey-seybold.com/prescriptionrefills) to request a refill.

Best wishes for your continued health.

Sincerely,

*Hassan Dakik, MD*
