

Dear Patient,

I am writing to inform you that **August 2** will be my last day caring for patients at Kelsey-Seybold Clinic, as I will be retiring after 39 years of caring for my patients here. It has been an honor and privilege to be your physician, and I have enjoyed helping you during your transition into parenthood and supporting you through your breastfeeding journey.

Please know that Kelsey-Seybold is committed to ensuring you continue to receive the breastfeeding support you need. **Drs. Amanda McCord** and **Ayesha Irani** are both Pediatricians with International Board Certified Lactation Consultant (IBCLC) qualifications and can see patients (mothers and babies) for breastfeeding concerns. Additionally, **Ginni Oldner**, who is an IBCLC at The Woodlands Clinic, is also available to provide support and care for breastfeeding mothers and babies. I am confident that any of them can provide you with the same level of care and expertise you have come to expect from Kelsey-Seybold.

You can view their online profiles at kelsey-seybold.com/bios, where you can search for additional physicians by name, clinic locations, medical specialty, and languages spoken. Additionally, Kelsey-Seybold is offering virtual breastfeeding classes to help you learn important skills from the comfort of your own home. You can sign up for these classes by visiting kelsey-seybold.com/baby-webinars.

If you would like assistance in finding additional breastfeeding support, call our **Patient Help Line** at **713-442-1233** on weekdays from 8 a.m. to 5 p.m.

Thank you once again for allowing me to be a part of your healthcare journey. I wish you and your family continued health and happiness in the future.

Sincerely,

Melanie Mouzoon, MD, FAAP, FABM
